FUND MANAGER'S REVIEW

BIMB-Arabesque Malaysia Shariah-ESG Equity Fund ("the Fund") returned -0.77% for the month for RM class. On MoM basis, the Fund's performance was weaker than its benchmark of 70% FBM Emas Shariah Index + 30% FTSE Shariah All-World Index which returned -0.20% for the period.

During the month, performance of its stock mix were affected by weaker performance in the consumer, financial and materials related sector. Overall market sentiment was also weak due to risk adverse stance taken by foreign investors due to the sudden outbreak of war in middle east which resulted in foreign funds selling out from Malaysia market as well. Sectors that performed slightly better during the month are property, healthcare and technology sector.

The Fund intends to invest around 95% - 98% of its NAV into equity in every rebalancing exercise to stay invested in the market.

Based on the Fund’s portfolio returns as at **10 October 2023**, the Volatility Factor (VF) for this Fund is **12.3** and is classified as **“High”**. The VF means there is a possibility for the Fund in generating an upside return or downside return around this VF. The Volatility Class (VC) is assigned by Lipper based on quintile ranks of VF for qualified Funds. VF is subject to monthly revision and VC will be revised every six months. The Fund’s portfolio may have changed since this date and there is no guarantee that the Fund will continue to have the same VF or VC in the future. Presently, only Funds launched in the market for at least 36 months will display the VF and its VC.

Lipper Ratings for Total Return reflect fund historic total return performance relative to peers. Lipper Ratings for Consistent Return reflect fund historical risk-adjusted returns relative to peers. Lipper Ratings for Preservation are relative, rather than absolute.

IMPORTANT INFORMATION:

1) Investors are advised to read and understand the contents of the Prospectus of BIMB-Arabesque Malaysia Shariah-ESG Equity Fund (Fund) dated 09 March 2017, its First Supplemental Prospectus dated 03 October 2023 and the Fund’s Product Highlight Sheet (PHS) before investing, which have been registered with the Securities Commission Malaysia (SC) who takes no responsibility for its contents. A copy of the Prospectus and PHS can be obtained from the Head Office of BIMB Investment Management Berhad or at www.bimbinvestment.com.my. The SC’s approval or authorization, or the registration of the Prospectus should not be taken to indicate that the SC has recommended the Fund. This Fund Fact Sheet has not been reviewed by the SC.

2) There are fees, charges and cost involved and investors are advised to compare and consider them before investing in the Fund. Investments in the Fund are exposed to risks, please refer to the Prospectus for detailed information. Investors are advised to consider the risks in the Fund and should make their own risk assessment and seek professional advice, where necessary, prior to investing. Investors should also note that the price of units and distribution payables, if any, may go down as well as up.

3) Investors are also advised that, where a unit split/distribution is declared, the NAV per unit will be reduced from pre-unit split NAV/cum-distribution NAV to post-unit split NAV/ex-distribution NAV. Where a unit split is declared, the value of their investment in Malaysian Ringgit will remain unchanged after the distribution of the additional units.

4) Any issue of units to which the Prospectus relates will only be made upon receipt of the completed application form referred to in and accompanying the Prospectus, subject to the terms and condition therein.

5) This Fund Fact Sheet is prepared for information purposes only. It does not have regard to the specific investment objectives or the financial situation needs of any specific person who may receive it. Neither the information nor any opinions expressed constitute an offer, or an invitation to make an offer to buy or sell any securities or unit trust. The information contained herein has been obtained from sources believed in good faith to be reliable, however, no guarantee is given in its accuracy or completeness. All opinions in respect of market review, Fund review and outlook constitute the Manager’s judgments as of the date of the issuance of this factsheet and are subject to change without notice. Past performance is not necessarily a guide for future performance and income distributions are not guaranteed. Returns may vary from year to year.

Based on the Fund's portfolio returns as at **10 October 2023**, the Volatility Factor (VF) for this Fund is **12.2** and is classified as “**High**”. The VF means there is a possibility for the Fund in generating an upside return or downside return around this VF. The Volatility Class (VC) is assigned by Lipper based on quintile ranks of VF for qualified Funds. VF is subject to monthly revision and VC will be revised every six months. The Fund’s portfolio may have changed since this date and there is no guarantee that the Fund will continue to have the same VF or VC in the future. Presently, only Funds launched in the market for at least 36 months will display the VF and its VC.

Lipper Ratings for Total Return reflect fund historic total return performance relative to peers. Lipper Ratings for Consistent Return reflect fund historical risk-adjusted returns relative to peers. Lipper Ratings for Preservation are relative, rather than absolute.

- IMPORTANT INFORMATION:**
- Investors are advised to read and understand the contents of the Prospectus of BIMB-Arabesque Malaysia Shariah-ESG Equity Fund (Fund) dated 09 March 2017, its First Supplemental Prospectus dated 03 October 2023 and the Fund’s Product Highlight Sheet (PHS) before investing, which have been registered with the Securities Commission Malaysia (SC) who takes no responsibility for its contents. A copy of the Prospectus and PHS can be obtained from the Head Office of BIMB Investment Management Berhad or at www.bimbinvestment.com.my. The SC’s approval or authorization, or the registration of the Prospectus should not be taken to indicate that the SC has recommended the Fund. This Fund Fact Sheet has not been reviewed by the SC.
 - There are fees, charges and cost involved and investors are advised to compare and consider them before investing in the Fund. Investments in the Fund are exposed to risks, please refer to the Prospectus for detailed information. Investors are advised to consider the risks in the Fund and should make their own risk assessment and seek professional advice, where necessary, prior to investing. Investors should also note that the price of units and distribution payables, if any, may go down as well as up.
 - Investors are also advised that, where a unit split/distribution is declared, the NAV per unit will be reduced from pre-unit split NAV/cum-distribution NAV to post-unit split NAV/ex-distribution NAV. Where a unit split is declared, the value of their investment in Malaysian Ringgit will remain unchanged after the distribution of the additional units.
 - Any issue of units to which the Prospectus relates will only be made upon receipt of the completed application form referred to in and accompanying the Prospectus, subject to the terms and condition therein.
 - This Fund Fact Sheet is prepared for information purposes only. It does not have regard to the specific investment objectives or the financial situation needs of any specific person who may receive it. Neither the information nor any opinions expressed constitute an offer, or an invitation to make an offer to buy or sell any securities or unit trust. FUND MANAGER'S REVIEW

BIMB-Arabesque Malaysia Shariah-ESG Equity Fund ("the Fund") returned -2.04% for the month for EUR class. On MoM basis, the Fund's performance was weaker than its benchmark of 70% FBM Emas Shariah Index+ 30% FTSE Shariah All-World Index which returned -0.62% for the period.

During the month, performance of its stock mix were affected by weaker performance in the consumer, financial and materials related sector. Overall market sentiment was also weak due to risk adverse stance taken by foreign investors due to the sudden outbreak of war in middle east which resulted in foreign funds selling out from Malaysia market as well. Sectors that performed slightly better during the month are property, healthcare and technology sector.

The Fund intends to invest around 95% - 98% of its NAV into equity in every rebalancing exercise to stay invested in the market.
